

Adobe Reader Version 7, 8, 9, or X (up to 10.1.1)

- In the “Printer” section, under “Comments and Forms”, choose “Document”.
- In the “Page Handling” section, set “Page Scaling” to “None”. “Auto-Rotate and Center” should not be checked, and “Choose Paper Source by PDF page size” should be checked.
- The “Print to File” option should not be checked.
- Click the [Advanced] button and verify that “Print as Image” is checked. Click [OK].
- Click [OK] to print your labels.
